The Team

We are two brothers from a farming background who love a party so, naturally, we formed a bar and events company!

Oli & Ali and their wives, Molly & Emma, are the face of Paton Events. Molly is in charge of all things day to day and behind the scenes. Between them all, they live and breathe all things wedding & celebration.

It started with a converted trailer and mobile bars and the business is continually growing. Tents, bars, dance floors and much more to come.

Both Oli & Ali work as a hands on part of the business from planning & set up, to pulling the pints on the night.

Personal service

Why choose us?

We don't just provide tents! Where ever we go, whether it's your back garden, village hall or a field, we bring your celebration to life.

We have done this for over 10 years. When planning your day, we take time and care to help you create an event that goes with out a hitch and memories that last a life time.

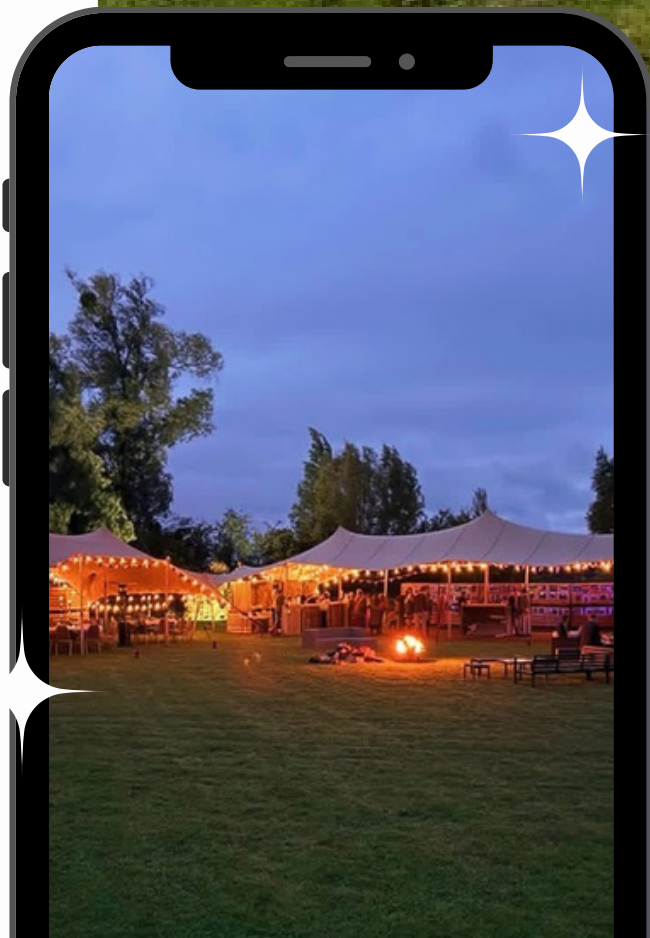

From your initial consultation we are there every step of the way, with supplier guidance, expert advice and add ons to bring it all together.

Stretch Tent FAQs

... helping you to make the right choice.

WHY CHOOSE A STRETCH TENT?

Our stretch tents allow you to celebrate in style whatever the weather. Creating a rustic modern luxury aesthetic and offering a versatile space for your celebration. From ceremony, to dining and dancing, we have you covered.

If you're looking for a seamless outdoor-indoor flow to your event, then stretch tents are a natural choice. Stylish, practical and affordable, our tents fit seamlessly into any outdoor environment, creating a relaxed space for your guests.

WHAT DO WE NEED?

We need a flat space, with good access. Paddock or field, garden or pitch, we can go pretty much anywhere. With each booking we will have an initial consultation and site visit to ensure we are the right fit.

WHAT ABOUT THE WEATHER?

The one thing we cannot control. Stretch tents are open to the elements, but of course can offer protection from the rain and are the ultimate shade cover whilst bringing the outside in.

WHAT AREAS DO WE COVER?

We are based in Herefordshire and travel anywhere within up to 1.5/2 hours away. We offer free delivery with in 15 miles.

CAN THE SPACE BE USED MULTIPLE TIMES?

Absolutely, stretch tents are ideal for ceremonies and dining options but we have been used for bars and dance floors too. Why not add a bar on to your package with us and then you will have staff to manage the transition between these times of the day?!

Reviews

Highly Recommend . Rebecca D.

"Oli was really on it with his communication before the wedding and flexible to accommodate what we wanted, which made us feel really confident ahead of our big day. Their wonderful horsebox bar was absolutely perfect - it really added to our day. The cocktails were delicious and lots of people commented on how reasonably priced the bar was..."

Brilliant. Chloe

Hired for our wedding. Great communication and advising us on what would work best. Lovely drinks and wonderful service from a friendly team. Thank you!

Amazing, thank you. Dave

"Oli and the team were amazing and the cocktails were lovely. We designed specific, bespoke, cocktails and Oli and his team created them masterfully and our guests were so so happy with them - as were we."

"A completely faultless service. Paul

"Oli and his team were a fantastic bunch of people with a bottomless knowledge of the various local drinks they had on offer and crafted their very own rum that was absolutely delicious. I've never hired a mobile bar company before and hiring one for our big day was a bit daunting, but Oli was brilliant at communicating, responding with different welcome drink ideas and various ways his team could pitch in to help (and these were genuine offers of assistance rather than a hard sell for an extra service). I couldn't have been happier with how it all went on the day. Simply brilliant.
